bmfabrics

.BRUT

.BRUT offers a retreat from the world, where raw concrete and architectural strength meet soft, cocooning comforts. Inspired by brutalist architecture and misty landscapes, this style embraces the stark beauty of unfinished textures and muted tones, creating a space of inner warmth and solitude, a bold and strong refuge from a fragile world.

A collection in which contrasts complement one another. The fabrics in this collection translate the essence of .BRUT into tactile materials. Heavy, warm textures in natural earth tones bring depth and comfort, while airy sheers with a refined, cool sheen reflect the strength and austerity of concrete and stone. The contrast between solid and transparent, warm and cool, rough and refined forms the basis of a collection in which opposites enhance one another.

Knox

73% PES 27% LI

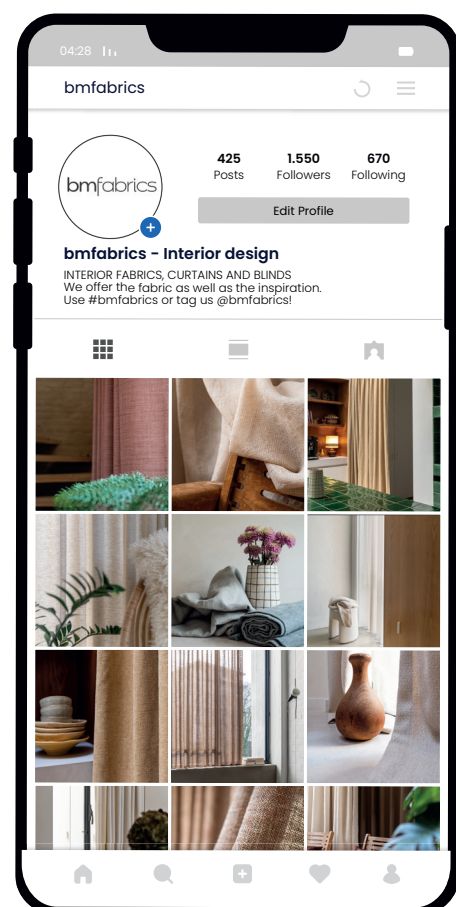

3,00 m

10 colours

The woven waffle pattern makes Knox a unique fabric. The blend of linen and polyester results in a fabric that is pleasant to the touch yet wrinkle-resistant and easy to care for. This substantial fabric adds warmth to a room, not only through its pleasing texture but also through its warm colour palette.

KNOX
colour Q2

Magnus

97% PES 3% LI

3,00 m

11 colours

Magnus has character and something you notice immediately. The distinctive blend of slub and loop yarns gives the fabric an authentic, natural look, free from repetitive patterns or a synthetic feel. Originally developed for upholstery, Magnus combines a rugged appearance with a surprisingly soft, refined touch. Some colorways are tone-on-tone, while others feature subtle colour variations.

Aspen

100% PES

3,00 m

11 colours

Supple, soft, and with a subtle sheen, Aspen is a fabric that immediately stands out. As a jacquard, it is distinguished by a technically engineered weave structure that creates a refined, distinctive surface. The colour palette is perfectly aligned with the latest interior design trends: warm brown, corn, sage, soft latte shades, and timeless combinations of taupe and beige.

ELMO
colour P1

Elmo

55% PES 36% CO 9% LI

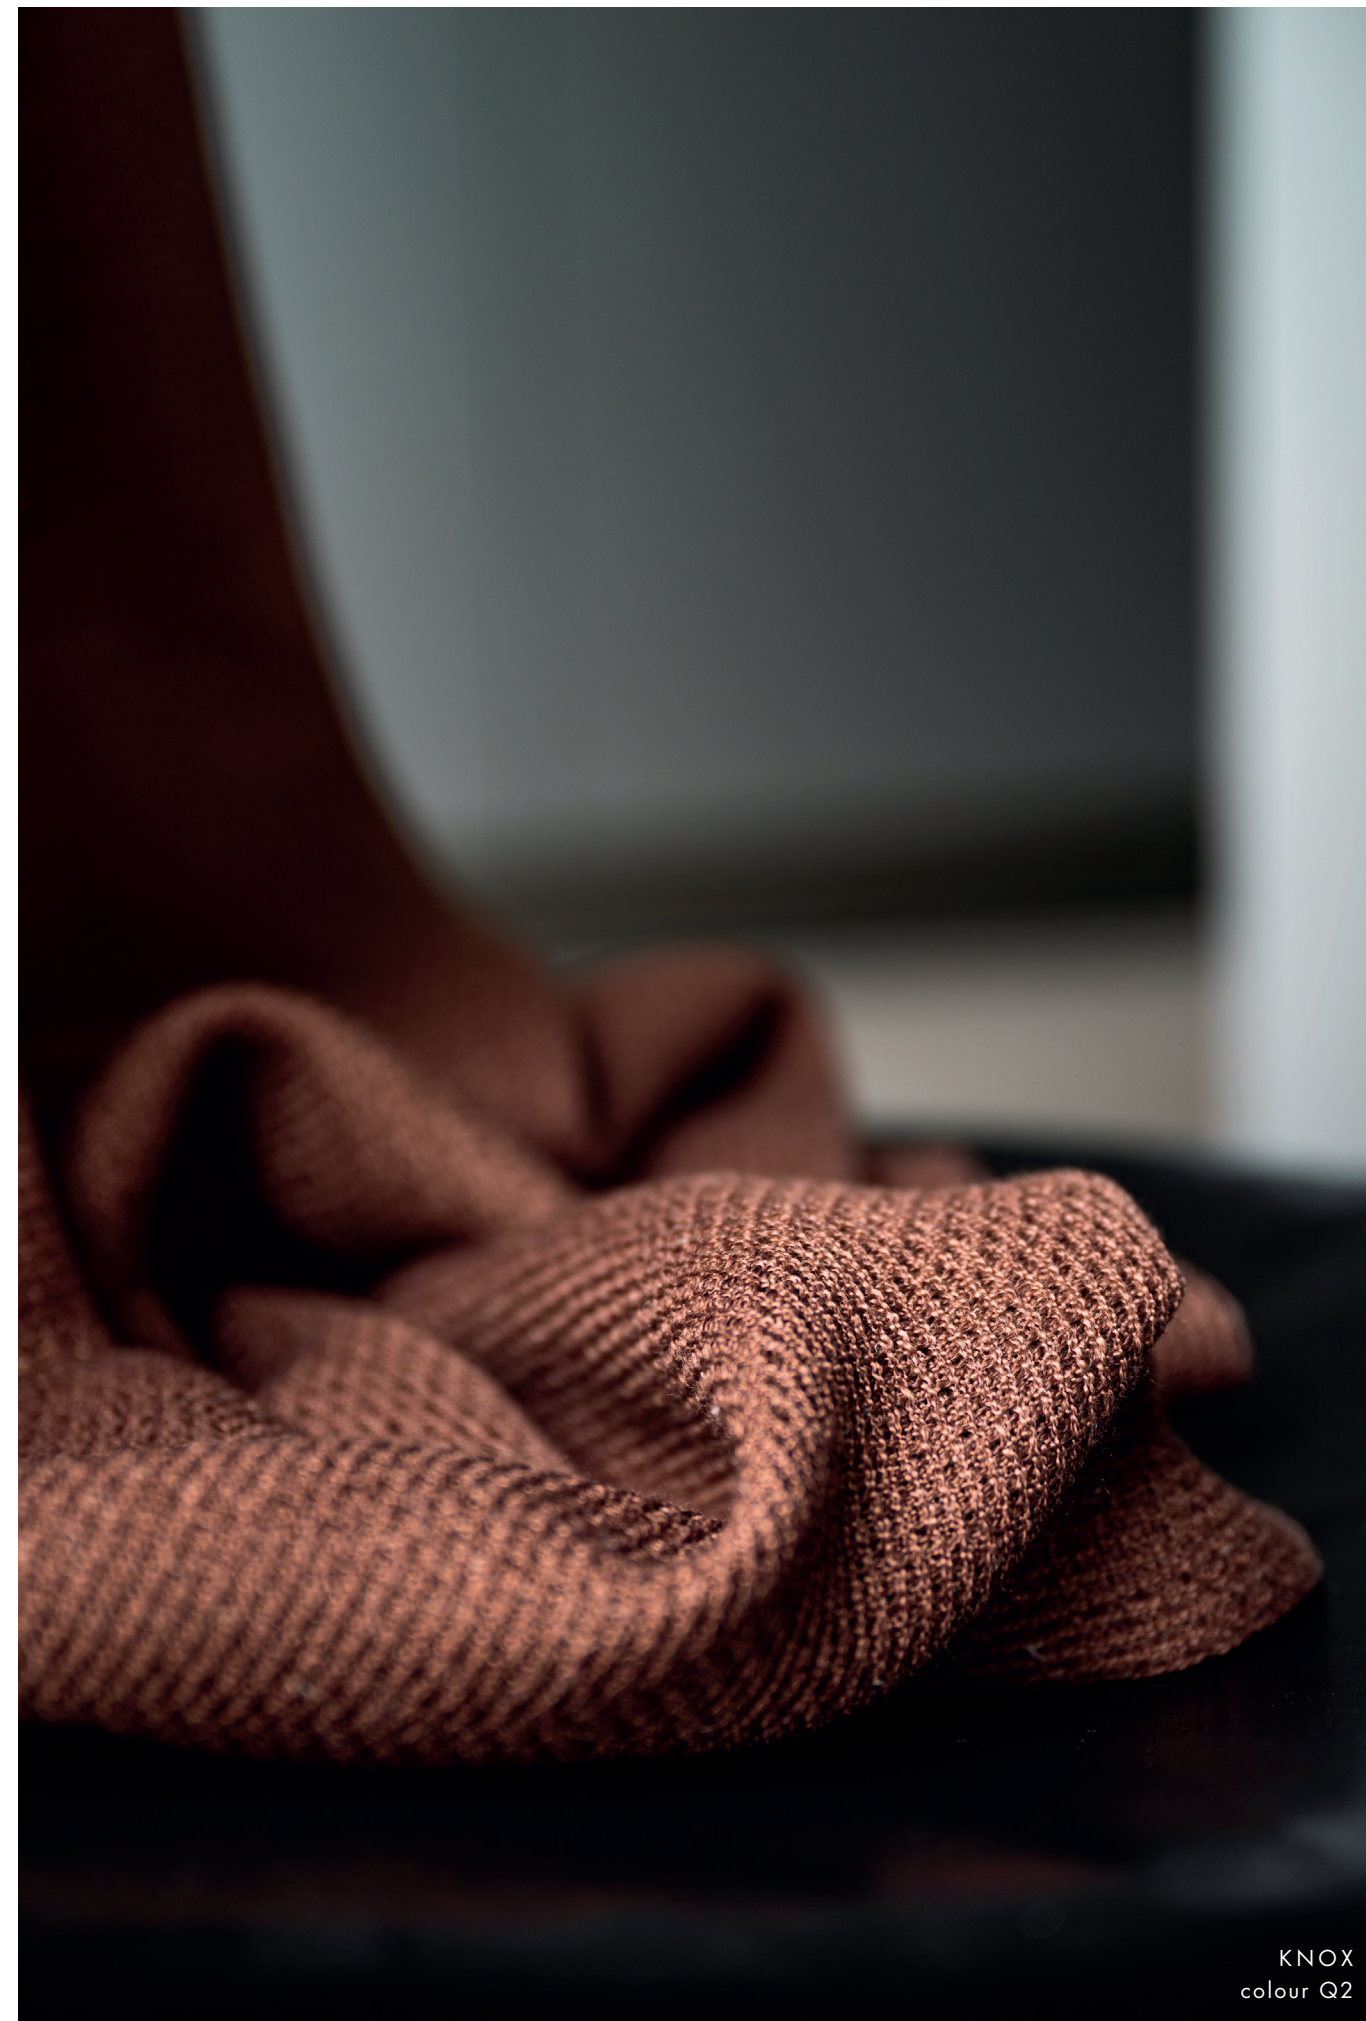

3,00 m

8 colours

Elmo radiates a sense of calm, a quality you can truly feel. This semi-transparent fabric combines an artisanal, organic weave structure with modern production techniques, woven on a jacquard loom in a floor-to-ceiling width. The carefully considered blend of cotton, polyester and linen creates an authentic, irregular texture. A subtle slub effect in the warp gives Elmo a hand-spun look that further enhances its natural appeal.

Onyx

100% PES
3,00 m
5 colours

Onyx is the standout piece of the .BRUT collection, and rightly so. This fabric embodies the theme in all its power: robust yet refined, bold yet elegant. Its cool colour palette, subtle crushed look, and slight sheen lend Onyx an architectural character that instantly draws the eye without being overpowering. It is the ideal choice for interiors where concrete, natural stone, and steel blend with warm wood accents and soft textures.

Rowan

100% PES
3,40 m
3 colours

Rowan is a sheer with attitude. Its irregular bouclé knots and slub yarn give it a rugged, natural look, despite its 100% polyester composition. This rich texture also reduces transparency, meaning Rowan offers a certain level of privacy. The colour palette ranges from off-white and ecru to a bold black-and-ecru blend for those looking to add real character to a room.

ROWAN
colour E6

MAZU
colour B1

Nordic

100% PES

3,00 m

5 colours

Nordic is texture in motion. Fully woven from fancy yarns, each featuring a unique twist and colouration, this fabric derives its character from specially dyed slub yarn that blends two contrasting colours. The result is a natural, two-tone melange with depth and vibrancy. Its airy, open weave gives Nordic a light, net-like appearance, while its fluid drape adds a sense of movement to the interior. Available in classic ecru as well as three trendy combinations: sage green, warm ochre with pastel pink, and a warm burgundy for the bold.

Mazu

100% LI

3,20 m

60 colours

Our Mazu is the perfect answer to the demand for a lightweight, supple, 100% linen curtain fabric. Linen yarns naturally create a pure look. With no fewer than 60 colours available, the possibilities are endless. Ideal for those who value quality, sustainability, and a timeless look combined with maximum freedom of colour choice.

NORDIC
colour J3

ALBA
colour U11

Alba

100% PES
3,00 m
6 colours

Alba has an unique small texture with fancy loop yarn, rich layers and simple style. This fabric easily complements a variety of interiors especially combined with our sub brand así and the matching upholstery fabrics.
