MARAIS

## Stripes are back

Stripes are back with Marais! Eighteen unique designs, each printed on our popular Dumas fabric. These designs show how versatile stripes can be in an interior.

Each pattern has its own character, but together they share a timeless baseline. They give direction to a space and create a refined visual dynamic that subtly enhances the interior.

Thanks to the quality and linen look of our Dumas fabric, the designs effortlessly complement interiors. Whether they blend softly into the overall look or make a statement, every Marais variation contributes to a stylish and balanced atmosphere.
